National Collegiate/Division I Individual Championships

(Notes: Each school is credited with one championship for each competitor involved in a tie. In tennis, two championships are awarded each year: one to the school whose competitor wins the singles championship and one to the school whose team wins the doubles championship. In swimming and track, relay victories count as one championship. The fencing [1990 to the present], rifle and skiing champions are included with the Men's National Collegiate/Division I Championships because mixed teams of men and women competitors are designated as men's teams in NCAA legislation. The fencing championships listed below are from 1982 through 1989, when there was a separate women's championships.)
